- 1. See my Tips for Using the Painted Harvest Stamp Set Video Tutorial for tips on lining up your flowers.**
2. Cut out scalloped oval shape using the Layering Ovals Framelits Die from the center of the Chocolate Chip Card stock piece. Making sure you don't get close to the edges. (The Whisper White layer will hide the holes.) Set aside for step 9.
3. Stamp the flower randomly onto the Whisper White Card stock piece 5 times using the largest flower image and Crumb Cake Classic Ink, making sure to turn the stamp for each one so they don't all look the same.
4. Then stamp smaller flower image using Cherry Cobbler.
5. Next stamp the center of the flowers using Chocolate Chip Classic Ink.
6. Adhere piece to card front.
7. Add the Chocolate Chip strip of card stock down the center of the flower layer.
8. Stamp the sentiment in Cherry Cobbler Classic Ink onto Whisper White Card stock.
9. Cut out the sentiment using the Layering Oval Framelits Die and the Big Shot.
10. Add Stampin' Dimensionals to layer the sentiment onto scallop oval piece.
11. Then adhere sentiment card stock to card front.
12. Stamp a flower or leaf image and sentiment to the Whisper White inside panel and adhere.
13. Stamp the envelope as desired.
