Lots of Lavender Sachet Video Tutorial Continued:

Assembly:

You can find my Lots of Lavender Sachet Video Tutorial on my YouTube channel

1. Take about 1 cup of Corn Cobb bedding and place into zip lock bag. Add about 10-15 drops of Lavender Essential Oil. Shake and allow to sit. Add more essential oil if desired.
2. Using the Envelope Punch Board create a 3x4 Envelope.
3. Adhere the envelope together and fill with a tablespoon of scented corn cobb filling. Seal the envelope.
4. Loop a piece of the Berry Burst ½" Finely Woven Ribbon around the envelope.
5. Then take a piece of Whisper White Solid Baker's Twine and tie it around the two ends. Tie a bow and trim as desired.
6. Now stamp your image onto a piece of Whisper White Card stock using Basic Gray Archival Ink.
7. Next stamp the lavender flowers in Berry Burst Classic Ink.
8. Stamp the leaves and stem in Lemon Lime Twist Classic Ink.
9. Then stamp the bow and sentiment in Bermuda Bay Classic Ink.
10. Add Stampin' Dimensionals to the back of image and adhere over the ribbon.
