Assembly:

1. Adhere Pick a Pattern Designer Series Paper to card front.
2. Stamp star image onto Crumb Cake card stock using Dapper Denim Classic Ink. (I started by stamping the center image then continued by doing the row top and bottom, and finally doing to corners so I could center them easier.)
3. Adhere to the card front.
4. Add the strips of Pick a Pattern Designer Series Paper to the top and bottom
5. Punch a Starburst from the White Vellum card stock and adhere to the card front, placing adhesive in the center only so that it wont show and will be covered by the bottle.
6. Stamp the large bottle image in Crumb Cake Classic Ink
7. Then again in Chocolate Chip Classic Ink, covering only part of the bottle.
8. Stamp the label in Emerald Envy Classic Ink.
9. Stamp the sentiment in Dapper Denim Classic Ink.
10. Cut out bottle and labels using the Framelits Dies.
11. Assemble bottle pieces and add Stampin' Dimensionals to the back.
12. Remove backing and lay upside down.
13. Cut a length of Linen Thread and wrap around your fingers to make a circle.
