## Cool Treats Thank You Card Tutorial

### Assembly:

1. Stamp the sentiment onto card front in Night of Navy Classic Ink.
2. Adhere the Night of Navy card stock strip to the card front edge.
3. Next adhere the Naturally Eclectic Designer Series Paper Strip along the bottom of the card base.
4. Next stamp your pop image in Peekaboo Peach Classic Ink onto Whisper White Card stock.
5. Stamp the 2-step stripe image onto the “pop” again in Peekaboo Peach Classic Ink.
6. Then add the stick using the Sahara Sand Classic Ink.
7. Cut out pop using the Layered Oval Framelits Die and Big Shot.
8. Cut a scallop oval shape from the Peekaboo Peach card stock.
9. Adhere the scallop oval onto card front on the right-hand side. Make sure to only add adhesive on the top half (so that it doesn't seal the card closed)
10. Layer the stamped image onto the scallop oval using Stampin' Dimensionals.
11. Decorate your Whisper White Envelope as desired.
