COUNTRY HOME FOLDING BOX TUTORIAL

Continued:

Assembly:

1. Create basic box as shown in the Country Home Folding Box Video Tutorial.
2. Punch a ½" circle out of Mint Macaron card stock using the ½" Circle Punch.
3. Punch a ¾" Circle out the Cajun Craze card stock piece using the ¾" Circle Punch.
4. Layer the circles on top of each other and adhere.
5. Using paper piercer punch a hole for copper Metallic Brad on front bottom flap of box a little below center point. (flap of box will tuck behind brad to close box)

Decorate your box:

6. Adhere Cajun Craze Card stock to the top of the box.
7. Next run the Mint Macaron card stock through the Big Shot using the Tin Tile Dynamic Embossing Folder. (Spritzing the card stock with water first will help stop the card stock fibers from cracking.) Allow to dry.
8. Adhere finished embossed piece to the top of the box.
9. Cut a Cajun Craze card stock circle out using the Layering Circles Framelits Dies.
10. Stamp your image onto Whisper White card stock using Memento Tuxedo Black Ink Pad.
11. Stamp your sentiment to the left of the cotton using Memento Tuxedo Black Ink Pad.
12. Color your image using the Mint Macaron Stampin' Blends Combo Pack for the leaves, Cajun Craze Stampin' Blends Combo Pack for the flowers and berry and the Blackberry Bliss Stampin' Blends for the flower.
13. Take the Wink of Stella and color the cotton pods for a bit of shimmer.
14. Cut the image out using the Layering Circles Framelits Dies.
15. Adhere finished image to Cajun Craze circle.
16. Place Stampin' Dimensionals on the back and adhere to the top of the box.
