Take Your Pick Tool Box Tutorial (with magnetic flap)

Assembly:

(See video tutorial for detailed instructions.)

1. Score box along the long edge at $\frac{3}{4}$, $3\frac{3}{4}$, $4\frac{1}{2}$ and $7\frac{1}{2}$ inches using the Simply Scored Scoring Board.
2. Turn and score along the short side at $\frac{3}{4}$ " on the left and right edges.
3. Fold along all score lines and using the Bone Folder.
4. Using your paper snips cut the flaps as shown.

5. To begin decorating your box start on the inside adding a piece of tag board to the bottom of the box.
6. Then add a piece of the Share What You Love Designer Series Paper on top of the tag board piece.
7. Turn the box over and add a piece of the Share What You Love Designer Series Paper to the box top.
8. Add the long strip of the Share What You Love Designer Series Paper to the back of the box and the two smaller pieces to the side.
9. Add Tear & Tape adhesive to the two magnetic strips and add the larger one to the outside flap of the box and the smaller one to the inside flap of the box. Trim as needed.

Assembly Continued:

(See video tutorial for detailed instructions.)

10. Add the final strip of Share What You Love Designer Series Paper Designer Series Paper to the flap of the box and trim as desired.
11. Build the box by adding adhesive to the outside of the flaps and adhere.
12. Slip the clear plastic insert holding the tool into the box.
13. Trim the directions that come with the tool and adhere to the inside of the box lid.
14. Print off the box label onto Whisper White card stock. (There are two label sizes one is for the Layering Ovals Framelits Dies and one for the Tailored Tag Punch. You also have a choice of colors – Basic Black and Blackberry Bliss to choose from.)
15. Punch out the label using the Tailored Tag Punch.
16. Then punch out a Basic Black piece using the Tailored Tag Punch.
17. Cut the piece in half along the length and adhere to the top and bottom of the label. Allow to dry and adhere to the box lid.
18. Adhere label to the decorative backing and adhere to box top.

Take Your Pick Tool Box Tutorial (without magnetic flap)

The box is assembled in the same way; however, you will add a piece of the Share what you Love Designer Series Paper to both the back AND front sides of the box. I've included the cutting instructions for the polka dot box shown in the video and in the pictures below.
