Continued:

1. Stamp the "sending healing hugs" sentiment using the Magenta Madness Classic Ink.
2. Run the sentiment through the Stampin' Cut and Emboss with the coordinating Stitched So Sweetly Die. Set aside for step 5.
3. Adhere the larger piece of Magenta Madness Designer Series Paper to the bottom of the card front.
4. Then flip over and adhere the smaller Magenta Madness Designer Series Paper to the top of the card front. (This will give you an alternate pattern)
5. Run a couple of strips of Stampin' Seal across the back of the sentiment label and apply the Magenta Madness ¼" Ribbon in a zig zag fashion.
6. Add Stampin' Dimensionals to the back of the sentiment and adhere to the card front centering it along the area the two Designer Series Papers meet. (The Stampin' Dimensionals will also help keep the ribbon in place.)
7. Using your Take Your Pick Tool add a couple of In Color Enamel Dots to the top right of the sentiment and 3 to the bottom left of the sentiment.
8. Stamp inside Whisper White panel as desired and adhere to the inside of the card.
9. Stamp envelope as desired.
