

Would you like to join a group of stampers that monthly?
Would you like to learn more stamping techniques and earn FREE products?

You should join my..... **Technique Club**

Here's how it works:

1. Five people sign up to participate.
2. These five club participants meet for club once a month for 5 months.
3. Club members will take turns acting as the hostess.
4. Club members agree to spend at least \$30 at each of the classes. *(Remember, Stampin' Up! requires that a workshop has \$150 or more in sales to collect hostess benefits.) That way every club member receives **FREE HOSTESS SHOPPING DOLLARS and EXCLUSIVE "HOSTESS ONLY" ITEMS.** (A credit card number or check will be kept on file for each club member's purchase in case they cannot attend and do not submit an order with me before the club date. This allows everyone to get the workshop closed in a timely manner. This reserve order will be set up during the first club meeting.)*

Here are the details:

1. At each technique class, you will learn a technique that you can use in your stamping projects. You will be making a card and a 6" x 6" technique card for future reference.
2. All members of the club will take a turn as hostess. (Keep in mind that it is okay if you cannot attend every club class. Simply contact me and place your \$30 minimum order before the day of the class.)
3. As hostess, you may choose to have other friends or family attend your class to increase your sales and the Hostess dollars you earn. You may also collect orders from those family and friends who cannot attend your class.
4. Your guests are always FREE during your hostess month or you can host a private party at my home or yours if you have 3 or more friends who would like to attend. This is a great way to increase your free merchandise amount. *You will need to contact me to reserve a time if you are interested in an additional party time.*
5. All orders will be shipped to my home for proper sorting and distribution and can be picked up when they arrive, or you can choose to pick your order up at the following month's class.

When you join the club, you will become part of my **Hostess Club, which entitles you to special Stamp Camp Discounts and Events**, in addition you will receive the current **2013-2014 Catalog** (209 pages of stamping ideas!), two Mini **Catalogs**, **FREE HOSTESS SHOPPING DOLLARS** to spend at your party & your choice of **EXCLUSIVE "HOSTESS ONLY" ITEMS** based on the total sales of your party, **5 FREE TECHNIQUE CLASSES**, PLUS friendships & idea sharing with other stampers in a relaxed environment.

Please let me know if you have any questions, otherwise just contact me to sign up for Club And hold your spot. I'll contact you so that you can choose the month you want to be Hostess. You may contact friends and form your own club (of 5) if you would like.

Party/Class dates will be determined once each a complete club is formed.

Club members are taken on a first come basis, so call or email me today.
