### Dimensions:

Blackberry Bliss CS (Item 133675): 4 ¼" x 11"; scored at 1 ¼", 5 ½", 9 ¾" and folded  
Dazzling Diamonds Glimmer Paper (Item 135315): 4 ¼" x 1" (2 pieces)  
Whisper White CS (Item 100730): 4 ¼" x 3"  
Blackberry Bliss 3/8" Stitched Satin Ribbon (Item 133668): 14"  
Rhinestone Basic Jewels (Item 119246): 3 approx.

1. Using the Blackberry Bliss Classic Ink and images of choice stamp sentiment and images onto Whisper White CS.
2. Color Rhinestones using the darkest Rich Razzleberry Stampin' Blendabilities marker if matching colored Rhinestones are desired. Allow to dry.
3. Attach Rhinestones to the center of snowflakes.
4. Run Sticky Strip adhesive along the outside edge of your bottom flap. (Make sure that you apply adhesive so that the raw edge of your flap will face the back of the treat holder for a more finished look.)
5. Next adhere one piece of Dazzling Diamonds Glimmer Paper approx. ½" down from the top on the front of your treat holder and the second piece approx. ¼" up from the bottom.
6. Adhere Whisper White CS onto the treat holder using Multipurpose Liquid Glue. (This Glue works well with the heavy texture of the Glimmer Paper.)
7. Use the Extra Large Oval Punch to punch a small oval into the top of the treat holder.
8. Fill your Cello bag with desired treat, gather the top and insert it through the hole and the top of the treat holder.
9. Tie bag closed with Blackberry Bliss Ribbon and finish off with a bow. Trim ends as desired.
10. Pull protective coating off of the Sticky Strip and adhere the bottom of your treat holder together.
