Balloon Adventure Slider Card Continued:

1. Adhere Party Animal Designer Series Paper to the Whisper White card stock piece.
2. Run the layered piece through the Big Shot using the Sliding Star Framelits Dies.
3. Wrap a piece of Emerald Envy Solid Baker's Twine around the layered piece and tie into a bow. Trim.
4. Now, stamp banner in Emerald Envy Classic Ink onto Whisper White card stock scrap.
5. Stamp sentiment inside banner using Pacific Point Classic Ink.
6. Cut the banner out and add to card front using Stampin' Dimensionals in bottom right hand corner.
7. Add Adhesive Strips (as shown in the video) to the back and adhere to the card front.
8. Next, stamp large Balloon onto Emerald Envy Card stock scrap using Emerald Envy Classic Ink. Punch out using the Balloon Bouquet Punch.
9. Stamp the striped balloon onto Pacific Point card stock using Pacific Point Classic Ink. Punch out using Balloon Bouquet Punch. (This will cut off part of the balloon, that's ok.)
10. Layer the two balloons and add to the top of the penny sandwich with a Stampin' Dimensional. (watch my Getting Started with Slider Cards Video Tutorial for more information and the basics of building a slider card).
11. Slip decorated pennies into the grove.
12. Decorate and Adhere Whisper White card stock onto the inside of the card.
