Shooting Star Spinner Card continued:

1. Starting with the lightest color use the Stampin' Sponges and Old Olive, Pumpkin Pie and Melon Mambo Classic Ink Pads to add color to the piece of Specialty Designer Series Paper using circular motions to reveal pattern.
2. Wipe off excess ink using a tissue or paper towel.
3. Run the piece through the Big Shot using the Sliding Star Framelits Dies. (Leave enough room between the top and sides so that pennies can move freely.)
4. Remove the die and line up pattern if needed and add a piece of painter's tape or post it note to hold the pieces together and in place. (This will keep the spacing even on the track.)
5. Add Adhesive Strips to the back and adhere to the card front. (Leaving enough room pennies can move freely.)
6. Remove the Painter's Tape carefully.
7. Stamp 1 large bee and 3 small bees onto a scrap of Whisper White Card stock in Basic Black Archival Ink.
8. Color the bees using Basic Black and Crushed Curry Stampin' Write Markers.
9. Add Clear Wink of Stella to the bee's wings.
10. Then cut out bees using the framelits dies.
11. Adhere large bee to the penny sandwich with a Stampin' Dimensional. (See Video Tutorial for details)
12. Add small bees where desired to card front.
13. Stamp sentiment onto Whisper White card stock scrap using Basic Black Archival Ink Pad.
14. Punch out sentiment using Classic Label Punch.
15. Adhere sentiment onto ½" wide piece of Basic Black Card stock. Trim ends to mimic the end of the punch leaving some black showing.
16. Adhere to the front of the card towards the bottom.
17. Decorate and add Whisper White panel to the inside of card.
