Assembly:

1. Stamp Marbled Background image onto Vellum in Pool Party Classic Ink. Set aside to dry.
2. Now to create the focal point with the two-step sell first using Early Espresso Classic Ink stamp off shell image onto grid paper first and then onto Whisper White Card stock piece. (Pay attention to where your tab is on your stamp, this helps you line up the images. I like to do the darker image first since this allows me to see it better.)
3. Next, using Crumb Cake Classic Ink stamp off the second shell image onto grid paper and then using tab line up and stamp again onto darker Shell.
4. Stamp the sentiment in Island Indigo Classic Ink.
5. Now cut out the shell using the Layering Circle Framelits Die and the Big Shot. Sponge edges in Pool Party.
6. Adhere Early Espresso Card stock to card front.
7. Adhere the dry Vellum image to the top of the Whisper White card stock piece. (Try to place the adhesive under where the ribbon and shell will go so it doesn't show through the vellum.)
8. Cut a piece of 12" Copper Trim, pull and tug it as desired and then attach it to the layered Vellum piece.
9. Attach layered piece to the Early Espresso layer on the card front.
10. Attach the Shell image to the card front using Stampin' Dimensionals.
