One Wild Ride Card Tutorial

Assembly:

1. Adhere the larger Cherry Cobbler card stock to card front about a 1/2" from the top as show.
2. Run the Silver Foil piece through the Big Shot using the Sparkle Embossing Folder.
3. Then attach the Silver Foil piece to the card front on the left-hand side about 1/4" in on the Cherry Cobbler piece.
4. Adhere the smaller piece of Cherry Cobbler card stock about 3/4" from the bottom on the card front. (This will go over the top of the Silver Foil piece.)
5. Stamp the sentiment and motorcycle in Basic Black Archival Ink onto Whisper White Card stock leaving enough room for both Framelits Dies.
6. Cut out the sentiment using the Bunch of Banner Die and motorcycle with the Layering Oval Framelits Die and the Big Shot.
7. Sponge the edges of the Motorcycle piece using Smoky Slate Classic Ink.
8. Now add Stampin' Dimensionals to the back of the sentiment and image and add to the card front.
9. Stamp a road sign image and sentiment to the Whisper White inside panel and adhere.
10. Stamp the envelope as desired.
