2. Place long side against top of Simply Scored Scoring Tool and score at the 1 1/4", 2 1/2", 5 3/4", 7" and 9".
3. Cut on score lines as shown and trim down flaps for easier folding.

4. Fold on score lines and assemble as shown in the Merry Music 3x3 Post It Note Holder Video Tutorial using your favorite adhesive.
5. Adhere (3) pieces of Merry Music Specialty Designer Series Pieces to the sides of box.
6. Then add the largest piece of Merry Music Specialty Designer Series Paper pieces to the back section on the back of the box.
7. Cut a scallop oval from Basic Black Card stock using the Layering Oval Framelits Die and the Big Shot. Set aside for step 10. (The Whisper White layer will cover this hole).
8. Now stamp the sentiment in Basic Black Archival Ink onto Whisper White Card stock piece.
9. Layer the sentiment onto Basic Black card stock piece and adhere to box on the top of the back area.
10. Cut out an oval from the Merry Music Specialty Designer Series Paper using the Layering Oval Framelits Die and the Big Shot. Layer onto the Basic Black Oval piece from step 7. Adhere to the left of the sentiment on the box.
11. Then cut the treble clef shape from the Real Red Card stock using the Musical Instruments Framelits Die and Big Shot and adhere to the oval circle piece on box.
12. Using the 1" Circle Punch add a finger grip to the front panel of the box using about 1/2 of the circle. (I've simply pushed the punch in until the front of the punch touched the bottom of the box.)
13. Add (3) 3" x 3" Post It Note pads.
