Assembly:

1. Layer your 3 pieces of White card stock together with a dab of Snail adhesive. (Touching the Snail with your finger several times will help make the Snail be less sticky.)
2. Using the Flirty Flamingo Classic Ink stamp 4 roses onto the Whisper White card stock piece randomly. (Make sure to leave the center of the Whisper White card stock empty so you can stamp the sentiment in step 6.)
3. Next using the Old Olive Classic Ink stamp the leaves randomly around roses.
4. Now stamp the sentiment onto Whisper White card stock using Soft Suede Classic Ink.
5. Carefully pull the layers apart and set them aside.
6. To begin take the largest floral piece and adhere to card front.
7. Then add the largest layer of Old Olive Card stock onto the card front.
8. Adhere the second largest floral piece to the Old Olive layer, paying attention so that the images line up.
9. Now adhere the sentiment piece to the smallest Old Olive card stock layer.
10. Add some adhesive to the back and wrap the Old Olive 1/8" Sheer ribbon around the lower left-hand corner.
11. Adhere layered sentiment to the card front.
12. Tie a piece of Old Olive 1/8" Sheer ribbon into a bow and adhere to the card front. Trim ends as desired.
13. Stamp inside Whisper White panel as desired and adhere.
