Assembly:

1. Cut on the score lines on both long sides of the Basic Black Card stock until the score lines intersect (as shown in the video tutorial).
2. Cut out a little wedge from the smaller flaps to create a smoother fold.
3. Add the larger pieces of Lovely Lipstick Designer Series Paper to the two larger sections.
4. Then add the two smaller pieces of Lovely Lipstick Designer Series Paper to the two smaller flaps next to the larger piece on just one side of the holder.
5. Use your Bone Folder to create a sharp crease line on all of the score lines.
6. Start assembly by adhering your back flaps to the center flaps.
7. Then adhere the front flaps to create your holder.
8. Using your 1/8" Handheld Punch place a hole on each side panel about 1/4" down from the top.
9. Take your piece of Black 1/8" Cord and thread it through the side hole toward the center of your bag. Tie the end into a knot.
10. Then take the other end of the Black 1/8" Cord and thread it through the hole from the outside of the holder. Tie the end into a knot.
11. Pull the Black 1/8" Cord up to allow the Hand Sanitizer to be placed in the holder.
12. To decorate punch a 1 1/4" circle from Basic Black Card stock.
13. Punch two 3/4" from Basic Black Card stock.
14. And Punch a bow using the Cookie Cutter Builder Punch from the Lovely Lipstick Designer Series Paper.
15. Create the Mini Mouse punch art by placing the two smaller circles behind the larger and adhere.
16. Adhere the small bow by one ear as desired.
17. Add Stampin' Dimensionals to the back of Mini Mouse and adhere to the front of the holder.
18. Give it to someone special for them to enjoy!
