Alternate option:

If you don't have a folder you want to use. Why not use the tag board from your Designer Series Paper or a piece of Night of Navy Card stock, along with our Floral Grid Paper? You can get a stack of 50 sheets for just \$11.75.

Simply cut the area off the bottom right hand corner of the Floral Grid Paper for your project and attach it to the tag board piece or a piece of Night of Navy Card stock. Want color on the inside? Place a piece of the Calypso Coral (Happiness Blooms Designer Series paper) on the inside.
