Continued:

1. Stamp the shell image along the left edge of the Whisper White card stock using Crumb Cake Classic Ink. Stamping off first to create a lighter shade.
2. Stamp the sentiment about an inch up from the bottom using the Pretty Peacock Classic Ink.
3. Adhere the Pretty Peacock card stock to the Note Card front.
4. Add Stampin' Dimensionals to the back of the sentiment piece and then adhere to the card front.
5. Stamp inside the Whisper White Note Card as desired.
6. Stamp envelope as desired.

Tip: Always stamp first and then adhere. Assembling after you stamp allows you to correct stamping mistakes by simply flipping your card stock over and trying to stamping again, or replacing a piece of card stock if needed.
