Continued:

1. Stamp the sentiment using Merry Merlot Classic Ink on to the upper right-hand side of the Very Vanilla card stock piece.
2. Stamp the branch image along the left edge and bottom edge of the Very Vanilla card stock using Merry Merlot Classic Ink.
3. Using your Merry Merlot Classic Ink dab a bit of your ink onto your Clear Block to create a palette for your ink.
4. Then use your Blender Pen to pick up ink and color with it as shown in the video tutorial.
5. Clean Blender Pen well by running it along your Grid Paper until it runs clear and you no longer see any color.
6. Adhere the Merry Merlot card stock to the Note Card front.
7. Add Stampin' Dimensionals to the back of the sentiment piece and then adhere to the card front.
8. Stamp inside the Very Vanilla Note Card as desired.
9. Stamp envelope as desired.

Tip: Always stamp first and then adhere. Assembling after you stamp allows you to correct stamping mistakes by simply flipping your card stock over and trying to stamping again, or replacing a piece of card stock if needed.
