Assembly:

1. Stamp milk can and flowers onto Whisper White card stock using the Memento Tuxedo Black Ink Pad.
2. Color the image using the Pretty Peacock, Cajun Craze, and Old Olive Stampin' Blends Combo Packs. (See video tutorial for more detail on adding the colors.)
3. Cut the image out using the oval from the Stitched Shapes Dies.
4. Cut out a coordinating scallop oval from the Pretty Peacock card stock using the Layering Ovals Die.
5. Then add the Snowfall Accents Puff Paint to the cotton pods. Heat with the Heat Tool until puffy. (Tip: Puff Paint is thin, so add it carefully and do not hold the Heat Tool too close to begin with. Bring it closer as the Puff Paint heats up to prevent splattering).
6. Punch the right edge of the Whisper White strip of card stock using the Triple Banner Punch.
7. Stamp the sentiment onto the strip of Whisper White card stock strip close to the punched end using Memento Tuxedo Black Ink Pad.
8. Then adhere the layered strip down the center of the Pretty Peacock card stock strip.
9. Adhere the 2019 In Color Designer Series Paper to the card front.
10. Adhere sentiment strip down slightly below the center of the 2019 In Color Designer Series Paper layer.
11. Adhere image onto the scallop oval Pretty Peacock card stock piece and add Stampin' Dimensionals to the back.
12. Adhere the layered focal point to the card front, covering the end of the sentiment as shown.
13. Stamp the inside panel as desired and add it to the inside of your card.
14. Stamp envelope as desired.
