Assembly:

1. Using your die cut machine cut the Basic Black card stock with the swirl die. Set aside for step 11.
2. Run the Rich Razzleberry card stock through the die cutting machine with the scalloped trim die set aside for step 13.
3. Using your Poppy Parade Stampin' Write Marker color the flowers on your stamp. Using the edge instead of the tip will protect your Stampin' Write Marker.
4. Use the Garden Green Stampin' Write Marker to color the stem and leaves on the stamp.
5. Breath on the stamp to reactivate the ink and stamp onto Whisper White card stock.
6. Using the Calypso Coral and dotted image stamp off and then stamp onto the large flower to add some color.
7. Using your Embossing Buddy run over the Rich Razzleberry card stock lightly.
8. Stamp sentiment using the VersaMark Ink. Cover the sentiment with White Embossing Powder, remove excess powder and heat with the Heat Tool.
9. Adhere the Peaceful Poppies Designer Series paper to the Basic Black card stock piece.
10. Adhere the layered Basic Black card stock to the card front in the center.
11. Adhere the Basic Black swirl die cut piece to the card front. Placing a little to the left of center.
12. Add Stampin' Dimensionals to the back of the flower image and adhere to the card front lining up the edge with the Basic Black piece.
13. Adhere your scallop trim to the back of the sentiment piece.
14. Place a Stampin' Dimensional on the right side and a bit of adhesive to the left and adhere down over the flower panel on the card front. (This will keep everything the same height.)
15. Using your Take a Pick Tool and Multipurpose Liquid Adhesive add 3-5 Peaceful Poppies Sequins randomly onto the card front. Allow to dry.
16. Stamp the inside Whisper White panel as desired and adhere inside the card.
17. Decorate the envelope as desired.
