Assembly:

1. Ink up the lily pad line image using the Bermuda Bay Classic Ink and stamp onto a piece of Whisper White Card stock.
2. Clean stamp using your Simply Shammy and flip it over reapplying it to the Clear Block.
3. Ink up the solid image using Bermuda Bay Classic Ink. Stamp Off once and then stamp onto line image. (The solid image does not match exactly).
4. Run your Embossing Buddy over the piece of Melon Mambo Card stock.
5. Ink up your Happy Birthday sentiment using VersaMark and stamp on the right side of the card stock.
6. Pour some of the White Embossing Powder over it and tap off excess.
7. Heat Set the sentiment using the Heat Tool. Allow to cool.
8. Run your lily pad image through your die cutting machine using the coordinating Die form the Lily Pad Dies. Set aside for step 13.
9. Run a piece of Granny Apple Green Card stock through your die cutting machine using the trim die from the Lily Pad Dies. Set aside for step 12.
10. Adhere the Lily Impressions Designer Series Paper the Bermuda Bay Card stock piece.
11. Add the layered panel to the card front.
12. Add a little bit of adhesive to the trim piece and adhere the sentiment piece to the top allowing only the little scallop trim to show.
13. Adhere the lily pad image to the left of the sentiment. Allow the layered focal piece to dry.
14. Add Stampin' Dimensionals to the back of the layered piece and adhere to the card front. (This will help hold the trim and lily pad in place also).
15. Add 3 Coastal Cabana Holiday Rhinestones randomly around the sentiment and flower.
16. Stamp sentiment for the inside of the card using Bermuda Bay Classic Ink onto Whisper White panel and adhere to the inside of the card.
17. Stamp the envelope as desired.
