Continued:

1. Using the Call Me Clover Classic Ink stamp the vine image in the center of the Whisper White card stock piece.
2. Stamp the small solid leaf image using Soft Sea Foam Classic Ink around the vine image. (I placed them at the end of the stems where the punched flowers will go).
3. Using the Night of Navy Classic Ink stamp the 2 step line leaf image onto the leaves you just stamped.
4. Stamp the small flower image in Pool Party Classic Ink randomly around the vine image.
5. Stamp the tiny flower image using the Crushed Curry Classic Ink randomly around the vine image in sets of three.
6. Stamp the large solid flower 5 times using the Flirty Flamingo Classic Ink onto a strip of Whisper White card stock.
7. Stamp the smaller flower image on top of the flowers you just stamped using Lovely Lipstick Classic Ink.
8. Punch out the flowers using the Small Blossom Punch.
9. Stamp the sentiment onto the bottom right hand corner of the Soft Sea Foam card stock using Night of Navy Classic Ink. (You can lay the finished panel in place for location if desired).
10. Stamp the interlocking diamond image using Soft Sea Foam Classic Ink to the left of the sentiment.
11. Adhere the finished flower panel to the sentiment piece.
12. Wrap a piece of Call Me Clover 1/8" Ribbon around the layered piece and tie it into a knot. Adjust as desired.
13. Adhere Flirty Flamingo card stock to the card front.
14. Add Stampin' Dimensionals to the back of the layered piece and adhere it to the Flirty Flamingo Card stock piece.
15. Then add Mini Stampin' Dimensionals to the back of each of the flowers and adhere to the card front as desired.
16. Add Basic Rhinestones to the center of the flowers.
17. Stamp inside Whisper White panel as desired.
