Assembly:

1. Stamp the sentiment using Memento Tuxedo Black Ink Pad slightly to the right of center on the Whisper White Card stock panel.
2. Using the Memento Tuxedo Black Ink Pad stamp the butterfly collage image in all 4 corners of the Whisper White Card stock panel around the sentiment, rotating image as needed.
3. Using the Blending Brushes rub the Coastal Cabana Classic Ink Pad to pick up ink and apply around the sentiment panel as desired. Leaving some white space in the center.
4. Then using the Blending Brush rub the Granny Apple Green Classic Ink Pad to pick up ink and apply around the sentiment panel as desired. Leaving some white space in the center again.
5. Using Stampin' Cut & Emboss and the frame shape from the Fluttering Dies cut out the sentiment.
6. Set the frame onto the Basic Black Card stock panel, but do not adhere it down.
7. Adhere the sentiment piece down onto the Basic Black Card stock using the butterfly piece as a "mask" so your sentiment piece will be in the right place for step 9.
8. Remove the butterfly piece and add Stampin' Dimensionals to the back both on the outside edge and around the cut out.
9. Adhere to the Basic Black Card stock layering.
10. Adhere the layered piece onto the Granny Green Apple Card stock base.
11. Using your Take Your Pick Tool add 3 clear Elegant Faceted Gems as desired in the bottom left-hand corner.
12. Stamp the Whisper White card stock panel as desired and add it to the inside of your card.
13. Stamp envelope as desired.

Tip: When using the Blending Brushes tap off excess ink before using. In addition, starting off the card stock and moving onto will help give a more even application.
