Assembly:

1. Score the Oh So Ombre Designer Series Paper at the 1 ¼, 2 ½, 3 ¾ and 5" marks.
2. Turn 1/4 turn and score the other side at 1/2, 1 3/4, 4 1/4, and 5 1/2"
3. Fold on all of the score lines using your Bone Folder. Repeat on both sides of the paper to break down the fibers.
4. Then add Tear & Tape to the top larger section along the outer edge and side sections.
5. Then add Tear & Tape to the outside edge of the last smaller section.
6. Remove protective paper and adhere the top section to the bottom to create a smooth seam. (See video).
7. Push in on each side to create a crease on each side. Repeat on the second end. Adjusting as needed with your Bone Folder if the score line is buckling a bit.
8. Stamp the bunny image onto Basic White Card stock using Memento Tuxedo Black Ink.
9. Use the Crumb Cake Light Stampin' Blends to color the bunny's bodies and the dark for the big bunny's tail.
10. Color the left flower using the Highland Heather Dark Stampin' Blends and the Highland Heather Light Stampin' Blends for the flower on the right.
11. Use the Granny Apple Green Light Stampin' Blends to color the leaves and to add some color to the "grassy" areas.
12. Punch out the bunny image using the large oval on the Double Oval Punch.
13. Add some Stampin' Dimensionals to the back of the oval.
14. Decide which side is the front of your box and adhere the oval piece to the center of the treat.
15. Using your Take Your Pick Tool add a Bumblebee Enamel Dots to the center of the two flowers.
16. Fill your container as desired and use a Glue Dot or two if you would like to seal it closed.
