Assembly:

1. Score the Flowers for Every Season Designer Series Paper at the 1 ¼, 2 ½, 3 ¾ and 5" marks.
2. Turn 1/4 turn and score the other side at 1/2, 1 3/4, 4 1/4, and 5 1/2"
3. Fold on all of the score lines using your Bone Folder. Repeat on both sides of the paper to break down the fibers.
4. Then add Tear & Tape to the top larger section along the outer edge and side sections.
5. Then add Tear & Tape to the outside edge of the last smaller section.
6. Remove protective paper and adhere the top section to the bottom to create a smooth seam. (See video).
7. Push in on each side to create a crease on each side. Repeat on the second end. Adjusting as needed with your Bone Folder if the score line is buckling a bit.
8. Stamp the sentiment onto Basic White card stock using Misty Moonlight Classic Ink.
9. Punch out the sentiment using the small oval on the Double Oval Punch.
10. Using the Misty Moonlight punch out an oval using the larger Double Oval Punch.
11. Punch a small butterfly from the Bumblebee Card stock and White Vellum Card stock using the Butterfly Duet Punch.
12. Layer the sentiment onto the larger oval.
13. Add some Stampin' Dimensionals to the back.
14. Decide which side is the front of your box and adhere the sentiment piece to the center of the treat.
15. Using a Glue Dot adhere the White Vellum Butterfly onto the Bumblebee butterfly.
16. Using your Take Your Pick Tool add a Cinnamon Cider Enamel Dot to the center of the butterfly to hide the Glue Dot.
17. Add a Mini Stampin' Dimensional to the back of the butterfly and adhere to the upper left-hand corner of the layered sentiment piece.
18. Pull the wings up to add some lift and dimension to the butterfly.
19. Fill your container as desired and use a Glue Dot or two if you would like to seal it closed.
