### Assembly:

1. Fold the strip of card stock on the score lines, folding the larger flap down and the smaller flap up. Run your Bone Folder over them for a tight crease.

3. Adhere the 2-inch piece of You're a Peach Designer Series paper down on the inside of the tag.
4. Cut a small and large circle out using Basic White Card stock, the Layering Circle Dies and your Stampin' Cut & Emboss.
5. Stamp your sentiment "It's your day" onto the small circle and "Let's celebrate you" sentiment onto the larger circle using Early Espresso Classic Ink.
6. Stamp the small triple flower image around the sentiment using Pale Papaya classic Ink.
7. Then stamp the center of the flowers using the Calypso Coral Classic Ink.
8. Next stamp your large peach image onto Basic White Card stock using Calypso Coral Classic Ink.
9. Stamp the stem/leaf image onto the Basic White Card stock using first Old Olive and then Early Espresso Classic Ink on the stem itself.
10. Cut out the peach and stem using the coordinating dies and Stampin' Cut & Emboss.
11. Adhere the sentiment piece to the front of the tag as shown.
12. Then adhere the peach below and to the right of the sentiment on the front of the tag.
