Assembly:

1. Cut the Center Flap Card as per the Video Tutorial.
2. Adhere the two small flaps down on the left and right.
3. Adhere the two strips of Enjoy the Journey Designer Series Paper to the left and right sides.
4. Using your Die Cuts create a mask using Sticky Notes and the 3 cloud dies, and Mountain die.
5. Add the cloud masks to the top of the Basic White Card stock panel.
6. Using your Blending Brush and Balmy Blue Classic Ink add color to the top of the Basic White panel. Remove Masks.
7. Repeat step 6 on the second Basic White card stock panel.
8. Then add the mountain mask to the bottom of the Basic White Card stock panel.
9. Using your Blending Brush and Smoky Slate Classic Ink add color. Move the mask and repeat a second time.
10. Using the Smoky Slate Classic Ink stamp the sentiment in the upper left-hand corner of the panel.
11. Add Adhesive Sheet to the back of the Basic Gray Card stock and run the panel through the Stampin' Cut & Emboss using the Mountain Bike image. Repeat a couple of times to make sure it is cut through.
12. Use the larger Basic Gray Card stock piece and cut it in half as desired to create the mountain piece.
13. Adhere one part of the mountain to the front sentiment panel along the bottom. Trim edges if needed.
14. Remove the Adhesive sheet from the Mountain Bike and adhere to the mountain section.
15. Adhere to the front of the card.
16. Take the other part of the mountain and adhere it to the inside panel along the bottom. Trim if needed.
17. Adhere the layered panel inside of the card.
18. Using your Take Your Pick Tool add 2 Matt Dots to the card front by the sentiment and onto the bike's wheels.
19. Stamp your envelope if desired.
