Assembly:

1. Using the Melon Mambo Card stock cut your runner out of the center using the die and the Stampin' Cut & Emboss. (This will be hidden by the masked panel from step 2-6.)
2. Using your Die Cuts create a mask using Sticky Notes and the 2 cloud dies, and Mountain die.
3. Add the cloud masks to the top of the Basic White Card stock panel.
4. Using your Blending Brush and Balmy Blue Classic Ink add color to the top of the Basic White panel. Remove Masks.
5. Then add the mountain mask to the bottom of the Basic White Card stock panel.
6. Using your Blending Brush and Smoky Slate Classic Ink add color. Move the mask and repeat a second time.
7. Layer your panel onto the Melon Mambo Card stock panel.
8. Then adhere the layered panel to the card front on the left side leaving about ½ inch of the Pumpkin Pie card base showing.
9. Adhere the runner to the card front as shown. (You'll want to flip over the die cut shape so it is running to the right)
10. Stamp your sentiment using Melon Mambo Classic Ink onto the Basic White Card stock piece.
11. Punch the sentiment out using the Decorative Circle Punch.
12. Add Stampin' Dimensionals to the back of the sentiment and adhere to the card front.
13. Using your Take Your Pick Tool add 5 assorted Glossy Dots to the card front scattering.
14. Decorate your Basic White Envelope as desired.
