3. Stamp the first floral image using first Coastal Cabana Classic Ink that has been stamped off in both the bottom left and top right corners as shown.
4. Then stamp the lavender image using Highland Heather Classic Ink that has been stamped off in both the bottom left and top right corners as shown.
5. Stamp the greenery image using Granny Apple Green Classic Ink next using the stamp off method in both corners.
6. Finally stamp the detail image using Gorgeous Grape Classic Ink in both corners as shown.
7. Using the small butterfly image stamp butterflies in the bottom right corner using Coastal Cabana Classic Ink. Then mask one of the butterflies and stamp in the upper left corner.
8. Adhere the finished panel to the large center section on the wrap.
9. Place mask inside the center of the wrap. Using a piece of Tear & Tape adhere the wrap closed.
10. Wrap the piece of Pool Party Crinkle Ribbon around the center of the wrap and tie into a bow. Adjust as needed and trim ends.
11. Add Stampin' Dimensionals to the back of the sentiment piece and place onto box over the Ribbon. (Only place Stampin' Dimensionals on the top and bottom so they straddle the ribbon if you want the ribbon to be able to move.
12. Using your Take Your Pick Tool add 5-7 Gems to the sentiment and front of the wrap as desired.
