Assembly:

1. Stamp the heart image using Petal Pink Classic Ink onto Basic White Card stock.
2. Then stamp the sentiment over it using Early Espresso Classic Ink.
3. Cut out the sentiment using the Something Fancy label Die and your Stampin' Cut & Emboss.
4. Cut out 2 espresso cups using the Lost Lagoon Card stock and 2 "espresso" pieces using the Pecan Pie Card stock.
5. Adhere the Designer Series Paper to the top of the treat holder.
6. Lay the Something Fancy label Die about ¼ inch below the strip of Designer Series Paper and run thru the Stampin' Cut & Emboss.
7. Using Tear & Tape run two strips along the inside of the treat holder behind the Designer Series Paper.
8. Fold holder on the score lines and adhere the front of the holder to the back of the holder as shown.
9. Fill with chocolate square and wrap a piece of the Natural Polka Dot Trim around the bottom section and tie into a knot. Trim ends and slide knot to the far-right side.
10. Add Stampin' Dimensionals on the back of the sentiment and adhere to the front.
11. Using your Take Your Pick Tool add an Adhesive Backed Swirls as shown on the sentiment.
12. Adhere the "espresso" down onto the cup.
13. Then add the espresso cut to the sentiment on the top left and on the top right of the Designer Series Paper strip using a Mini Stampin' Dimensional.
