Assembly:

1. Stamp the sentiment in the lower right-hand corner of the Basic White Card stock panel using Pecan Pie Classic Ink.
2. Using the Basic White Card stock panel stamp the dinosaur using Memento Tuxedo Black Ink Pad.
3. Using the Calypso Coral, Wild Wheat, and Pecan Pie Stampin' Blends to color the dinosaur as shown.
4. Use a swish of the Pool Party Stampin' Blend underneath the image to "ground" your dinosaur.
5. Cut the dinosaur out using the circle die from the Stylish Shades Dies using your Stampin' Cut & Emboss.
6. Using Pecan Pie card stock and larger circle die cut a coordinating circle out.
7. Adhere the panel of Designer Series Paper to the top of the sentiment panel.
8. Adhere the Pecan Pie card stock strip below the Designer Series Paper. Trim ends as needed.
9. Adhere layered panel to the card front.
10. Adhere the Pecan Pie circle to the card front.
11. Add Stampin' Dimensionals to the back of the dinosaur circle and adhere to the center of Pecan Pie circle.
12. Using your Take Your Pick Tool add some of the In Color Opaque Sparkle Dots to the card front as desired.
13. Stamp in inside as desired. I used the Pecan Pie and Calypso Coral Classic Ink pads to stamp the "Roar" and "I love you" sentiments and heart. I also used the Memento Tuxedo Black Ink pad and Wild Wheat Stampin' Blends for the rock in the lower right-hand corner.
14. Stamp envelope as desired.
