### Assembly:

1. Stamp your bunny image onto the Basic White Card stock using Memento Tuxedo Black Ink Pad.
2. Color your bunny as shown using the Watercolor Pencils; I used Early Espresso, Flirty Flamingo, and Balmy Blue and blend with your Blender Pen cleaning between colors.
3. Die cut the bunny using the coordinating die. Set aside for step 10.
4. Stamp the sentiment using Memento Tuxedo Black Ink Pad onto strip of Designer Series Paper.
5. Adhere sentiment piece it to the top of the treat holder.
6. Lay the Mixed Labels Die about ¼ inch below the strip of Designer Series Paper and run thru the Stampin' Cut & Emboss.
7. Using Tear & Tape run two strips along the inside of the treat holder behind the Designer Series Paper.
8. Fold holder on the score lines and adhere the front of the holder to the back of the holder as shown.
9. Fill with treat and wrap a piece of the Petal Pink Ribbon around the bottom section and tie into a bow. Trim ends and slide knot to the far-right side.
10. Add Mini Stampin' Dimensionals on the back of the bunny and adhere to the front being careful to adhere it only onto the treat holder.
11. Using your Take Your Pick Tool add 3 Antique Pearls as shown.
