Punch Tip YouTube Link: https://youtu.be/fb33UBkJOQk

Assembly:

1. Create the treat holder by scoring the (long side) at the 3 1/2 and 4 1/2".
2. Turn the card stock and score at the 1" and 2 1/2".
3. Cut the two slits on each long edge and remove a small wedge if desired.
4. Fold on the score lines and decide which side will be the front.
5. Adhere the front and back panels of Designer Series Paper down.
6. Then adhere the two side panels in place.
7. Add Tear and Tape to the front long sides on both edges and the small flaps.
8. Adhere the two bottom flaps to the side panels.
9. Then adhere the side panels down to the back flaps to create holder.
10. Using your 1/8" hole punch add holes to each of the sides of the holder.
11. Tie a knot to the end of the Bubble Bath 1/8" Ribbon and thread the other end from the inside of the holder to the outside. Then thread the ribbon from the outside to the inside on the other side of the holder and tie a knot again on that end. (see video)
12. Stamp the image of the lamb and bell using Basic Gray Classic Ink and then do the two-step stamps using Smoky Slate and Bubble Bath Classic Ink.
13. Use the Bubble Bath Stampin' Blend for the ribbon on the bell, face and lamb's legs.
14. Punch out lamb and bell using the Woolly Friend Punch.
15. Build your lamb as desired attaching the bell. Use Mini Stampin' Dimensionals for the head. (See video for tips)
16. Stamp your sentiment using Basic Gray Classic Ink onto Basic White card stock strip. Cut the right end into a flag using Paper Snips. Cut the other end to length desired.
17. Add Mini Glue Dots to the sentiment and place on the holder toward the bottom about ½" up.
18. Then adhere the lamb to the left of the sentiment and onto the holder. Adding adhesive only to the area that will rest against the front of the holder.
19. Fill box as desired. (I've used two Valentine Bear mini-KitKat bars.)
