## Friendly Foliage Masking Technique Card

YouTube: <https://youtu.be/z97c34mHw98>

1. Cut out the rectangle shape using the Textured Notes Die from the card stock to create a Mask.
2. Stamp the sentiment and focal point onto Basic White Card stock using Peaceful Pine Classic Ink.
3. Lay the Mask over the focal point and adhere down with Washi or Painters Tape if desired. (This will allow you to line it up with the image easily.)
4. Using your Blending Brushes add color to the inside of Mask as shown. Using the Golden Glow Classic Ink.
5. Adhere the Peaceful Pine Card stock panel to card front.
6. Add Stampin' Dimensionals to the back of the focal point and adhere to the Basic Gray layer on card front.
7. Stamp the inside panel using Peaceful Pine Classic Ink as desired.
8. Using your Take Your Pick Tool add some In Color Butterflies as desired to card front.
9. Stamp the envelope as desired.
